

Certificate of Calibration, Quality, and Conformance

Certificate number 26ATKA28616

Conformance

OMICRON electronics GmbH certifies that the product detailed below (device type, serial number) has been designed, manufactured, tested, adjusted, and calibrated to the highest quality standards of workmanship and materials in compliance with a quality system registered to ISO 9001:2015.

The product conforms to all specifications published in the user manual and has

passed all tests successfully.

The calibration report, containing reference equipment and results, is available on:
<https://my.omicronenergy.com/gethardwaredocs>

Traceability Information

Traceability is to national standards administered by EURAMET and ILAC members (e.g. ÖKD, DKD, NIST, NATA, NPL, PTB, BNM etc.) or other recognized standard laboratories. Some measurements are traceable to natural physical constants, consensus standards or ratio type measurements.

Device type COMPANO 100
Serial number SN875Q / 102841017
Calibration date 28 May 2026

Date of issue 11 June 2026
